

Cudgee Update

Issue 15 - Term 3, 2018
Cudgee Primary School
Community Newsletter

Welcome to the 15th edition of the Cudgee Update – Cudgee Primary School's community newsletter.

We're looking forward to sharing with you some of the happenings at Cudgee Primary School during Term 3 in this newsletter.

During this time of the year we traditionally have a science theme and this term was no exception with a learning focus on chemistry and biology. Some highlights have included our Science Week celebrations and excursions to a dairy farm and Makers' Fest.

We have also had the opportunity to participate in lots of other exciting activities including:

- Student Leader's Congress Presentations
- Live Loops performance
- Hoop Time basketball
- Book Week celebrations
- Year 5/6 camp to Roses Gap
- State School Spectacular
- Gymnastics sessions at Springers

One of the amazing things about working in a small school is being able to provide students with a chance to make a real difference in their community. The older students did a fantastic job planning and organising the Cudgee Clean Up Day. They were able to mobilise the whole school and collected what ended up being around 65kg of rubbish from Dwarroon Road. A surprising amount of rubbish but a wonderful effort on the students' part!

We have had a couple of changes in our staffing during the term. We want to thank Angela Schultz who has resigned from her literacy support role – she has been a great support to so many students over the years she has been with us. We also welcome Mick Houlihan to a garden/ maintenance position which has had an immediate impact on our kitchen garden!

It has been a busy and productive term for us all and we hope that you get some rest these school holidays.

-Fiona Selway &
Matt Dodson

Upcoming Dates

October 8 - Term 4 begins

November 1 – Cudgee Fun Run – Walk, Fun, Run! 5.30pm start followed by a barbecue.

Term 4 - Transition sessions for 2018 Foundation Students

December 13 – School Concert, 6pm

Transition Information for 2019 Foundation Students

During Term 4 we have planned a number of sessions at the school to enable a smooth transition from kindergarten to school.

There are 4 transition sessions with the Foundation-Grade 2 class and 4 extra 'Clubs' sessions where we will do some fun cooking and craft activities with children from Foundation to Grade 6.

Friday 19 October: Transition – Focus on Literacy

Wednesday 31 October: Clubs Session 1

Friday 9 November: Transition – Numeracy

Wednesday 14 November: Clubs Session 2

Wednesday 21 November: Clubs Session 3

Friday 23 November: Transition – PE & Games

Wednesday 5 December: Clubs Session 4

Tuesday 11 December: Transition Day including – Music, Christmas art and craft, Buddies set up for 2019.

Please contact Matt Dodson at the school to let us know if your child will be attending for planning purposes and so we can put you on the mailing list.
